

**International Geraniaceae Group**  
**International Cultivar Registration Authority for *Geranium* and *Erodium***

Please use this form to apply to register the name (epithet) of a new cultivar (or Group) of *Geranium* or *Erodium* (one per form).

Registration should be completed before the name is published or otherwise made public.

Please check that your proposed cultivar name has not already been used by referring to the relevant Cultivar Registers available at [www.geraniaceae-group.org](http://www.geraniaceae-group.org). Your chosen name must comply with the 9th Edition of the *International code of nomenclature for cultivated plants* (2016), please contact the Registrar if you need assistance with this.

Genus: **Proposed epithet:**

Does this represent a cultivar or a Group?:

Origin of the plant (ie Seedling from x gardens):

Year first flowered:

Species or hybrid (if known):

Seed Parent (if known):

Pollen Parent (if known):

Derivation of chosen epithet:

If the chosen name is a transliteration of a name not in the Latin alphabet please give the original name and language:

---

Has this name already appeared, with a description, in a dated publication? If so, please give author, name and date of the first such publication:

*If possible please supply a copy of this publication.*

Are Plant Variety/Breeders Rights or a Plant Patent being applied for, or already granted? If so, under what name and where?:

Is any other trade mark or selling name being used? If so, please state names and territories:

Please give details of any trials to be/already entered and any awards received:

---

Please give a description of the cultivar that will aid identification. Include details of size, habit, foliage, stems, flowers, seeds (if any) and colour. If possible give colours referring to the RHS Colour Chart and state which edition has been used:

Please list differences that separate the cultivar from existing similar cultivars:

Propagation method(s):

**Please continue descriptions on a separate sheet if more space is needed.**

**A) Applicant (your) Name:**

Address:

Email address:

Date of application:

---

**B) Originator:**

Address:

Email address:

Date of origin:

---

**C) Nominant (who chose the name):**

Address:

Email address:

Date of naming:

---

**D) Introducer:**

Address:

Email address:

Date (or proposed date) of introduction:

---

If possible please supply an herbarium specimen and photograph/painting/drawing to be used as the nomenclatural Standard for the new cultivar. This will, in time, be deposited at a recognised herbarium.

Please confirm that you are the copyright holder of any images supplied, and that you agree to the IGG using this image(s) for educational or scientific purposes, including worldwide publication in print or electronically. The copyright will remain with you.

**General Data Protection Regulation (GDPR) - Brief Privacy Statement**

In order to Register your cultivar the ICRA needs to process and indefinitely retain your personal details contained on this form, including publishing names and locations (town/country) in print and electronically.

You must also have the agreement of any third parties mentioned on this form for this to be done with their details. Please highlight any information you do not wish made public by including it in [square brackets], this will still be retained but will not be passed on by the ICRA.

The Registrar will store this personal data securely and will only pass this on to the succeeding Registrar who will also be bound by these terms.

The GDPR also grants you various other protections and rights which cannot be included here for reasons of space.

**Returning this form will be taken to indicate your consent to this use of your data.**

The Registrar will undertake to complete registration, or contact you for more information, or explain the reasons for rejection, in a reasonable time frame but no guarantee can be given to complete registration by any particular date.

---

**Please return your completed form and any publications (or copies) and images to:**

Tim Fuller  
ICRA *Geranium & Erodium*  
The Plantsman's Preference  
Church Road, South Lopham  
Diss, IP22 2LW  
United Kingdom

**If you have any questions please ask the Registrar, email may be the easiest method:**

registrar@geraniaceae-group.org

**For more information please see:**

www.geraniaceae-group.org  
www.ishs.org

**Please note that there is currently no fee payable to register your new cultivar name.**
